Challenges

Before engaging with
ConnXess Ian grappled with
various time-consuming
tasks and responsibilities,
including CRM
management, email
marketing, lead follow-ups
and presentations. These
tasks not only took away
valuable time but also
created unnecessary stress
and hindered the focus on
revenue-generating
activities.

ConnXess takes away all the crappy things that I either hate doing or don't know how to do. She allows me to concentrate on the things that I enjoy doing and that bring in revenue.
